

July 28-31, 2016

501 Coliseum Drive
Chelsea, MI 48118

Dear Player,

Congratulations on your nomination to attend the 16th annual Michigan High School Hockey Excellence Program! This camp has been recommended time and time again to players throughout the state who are looking to “up” their game each summer. This year’s camp runs Thursday July 28 through Sunday July 31, 2016. The camp is held at the Chelsea Arctic Coliseum ice arena.

Directed by USA Hockey ADM Regional Manager Bob Mancini and Chelsea Head Hockey Coach and past MSHCA President Don Wright, the Excellence Program not only gives Michigan’s best high school players the opportunity to play in front of NHL scouts; it also serves as a high-intensity training program for players serious about bringing their game to the next level.

In addition to a four-game schedule, players are involved in three on-ice skill development practices, all of which focus on the latest age-appropriate training methods for elite players. Off-ice training sessions are also used both educate players in preparation for their hockey-playing future. All practices are run by a high-level coaching staff and are designed specifically for advancement in this age and skill level.

At the end of camp, each player will receive an in-depth written evaluation from an NHL scout, who has been personally assigned to evaluate his team. This evaluation will document strengths and weaknesses, along with suggestions for continued development and improvement.

To apply for acceptance to this event, please return the enclosed application, along with a check made out to **Transition Hockey** for \$379.00. Players will be selected on a first come, first serve basis. Letters of acceptance along with additional camp materials and hotel information will be e-mailed or mailed. All other applications will be returned with a full refund. For more information, please contact us.

“My son recently attended your camp. I want to say it was the best money I have ever spent. Your staff and coaches need to be commended.”

Ron, parent of attendee

“The High School Excellence Program has been an outstanding camp for my top players to attend each year because they can see how they compare with other top players in the state. In addition, the information they get from the scout evaluations and high level coaches helps them see what areas they need to continue to develop.”

Doug Towler, Davison High School Head Hockey Coach

“We continue to get positive feedback because these kids learn things here they can use on their own to get better.”

Bob Mancini, Co-Founder

“The Michigan High School Excellence Program does a great job in helping players to make the next step in their career.”

*Steve Bowman,
Washington Capitals*
